September 5, 2023

Dear EMC Leaders,

In recent weeks the foundation underwent a necessary name change and modifications to its branding. The foundation now operates under the legal name of LRG Impact. Symbolically, “L” stands for local, “R” stands for regional, and “G” stands for global. The “LRG” is a common abbreviation for large and we remain committed to making a significant impact for the Kingdom of God! Modifications are underway to various documents and components, and our website at [www.lrgimpact.org](http://www.lrgimpact.org).

**Vision**

The vision of LRG Impact is to resource and use collaboration to free leaders from constraints of culture, geography, and funding to explore new ministry paradigms, connect and make room for ideas, to cross-pollinate with like-minded church leaders from around the world, to think big and think future.

**Mission**

The mission is to empower the Church to courageously follow Jesus and pursue bold Kingdom work locally, regionally, and globally.

**Strategic Focus**

Leadership Development

Ministry Expansion

Church Planting
