WUNDERS KENYA
EXPANDED TO A
NEW SEWING CENTER

We envision a world where every girl and woman has the confidence to thrive.

Wunders is working to keep girls in school through menstrual health supplies and education.

In 2024, we heard from teachers and school administration staff that they are actively seeing female students participate more and come to class even during their periods because of their Wunders kits.

“Wunders understands the urgency to act in fighting period poverty so that girls have the tools they need to attend school with confidence.”

— NEDDY DINGILI, WUNDERS KENYA BOARD CHAIR

In 2025 Wunders is working to:

EQUIP 2,500+ girls and women with menstrual health kits.

HOST 35+ TRAININGS to equip girls and women with our partnership network.

CONTINUE EXPLORING new sewing center opportunities for Wunders’ third location.
